

Book list from Bob Rumpf, Oct. 6, 2011

Note: It is important to me that it is understood I do not make a profit on the casting books I gather for the groups. I do extensive book searches everyday as part of my angling books business, and I just pick these casting books up along the way while doing these searches. The prices shown are what I paid for the books rounded off to the nearest dollar. The books are available on a first come, first served basis.
