

Spey DVD by Ally Gowans - Availability

Hi Gordy,

Information on the DVD is at

http://www.letsflyfish.com/spey_casting_dvd.htm It is in PAL format so whilst it will play on computers some DVD players in USA will not play it, many will. For sales to USA anyone who would like to purchase a copy should send me the equivalent of £25 (pounds) via PayPal to ally@letsflyfish.com and I will post a copy to them by return.

I will add pages re holding and shooting line to www.letsflyfish.com and let you know when that's done.

Best regards,

Ally Gowans
